Recommendation: The Provost should change the student credit hour (SCH)
model for campus to allow faculty, both tenure track and non-tenure track, to
retain a fraction of those hours as currency to be used to pursue individual faculty & yach

Recommendation: CU should create an interdisciplinary incubator, a physical space where teams of faculty could be co-located for 12-24 months to catalyze progression a targeted theme of research, scholarship, or creative work. The definition of interdisciplinary would have to be very carefully constructed to include multiple paradigms from across the campus, particularly ensuring that areas of study that do not have significant
